

Resolution authorizing supplemental appropriations for the final phase of the case document imaging system (Clerk of Courts)

WHEREAS, the Franklin County Clerk of Courts is the official record keeper for the Franklin County Common Pleas Courts and the Franklin County Domestic and Juvenile Court; and

WHEREAS, to aid in the record keeping process for the local Courts, the Clerk of Courts, in cooperation with the Franklin County Data Center, was appropriated \$197,954.13 in supplemental appropriation, Resolution Number 362-07, for the purpose of implementing a case document imaging system that will interface with the current case management system and be accessible to the Court of Common Pleas, General Division, and Juvenile/Domestic Court and the internal public; and

WHEREAS, the Franklin County Clerk of Courts has worked in conjunction with the Data Center, and the selected vendor (Intellinetics) to design and implement the document imaging system; and

WHEREAS, during 2007, expenditures from the Common Pleas Computerization fund were less than the amount appropriated by Resolution because the last phase of the case document imaging application project was not completed and accepted by the IT Director for the Franklin County Clerk of Courts until April 2008; and,

WHEREAS, the Franklin County Clerk of Courts has requested supplemental appropriation in the amount of \$48,791.39 to pay the invoice for the final phase of the case document imaging application project;
